Wakefield Health Limited Maintains 50% Holding in P3 Research Limited

Wakefield Health Ltd has confirmed the continuation of its 50% shareholding in the joint venture operation of P3 Research Limited.

Wakefield has not exercised the option that it held to acquire the remaining shares in the joint venture company on 31 March 2006, as both parties have agreed that the existing arrangements continue to provide the platform to best ensure the ongoing development and growth of this specialised business unit.
